Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to The Board of Directors Info Edge (India) Limited

- 1. We have reviewed the accompanying statement of unaudited standalone financial results of Info Edge (India) Limited (the "Company") for the quarter ended September 30, 2021 and year to date from April 01, 2021 to September 30, 2021 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5 . The company has considered the possible effects that may result from COVID 19 on its business and the carrying amount of non-current investments. The outbreak of Coronavirus (COVID-19) pandemic globally is causing a slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite period. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered disruptions to businesses worldwide, resulting in an economic slowdown and uncertainties pertaining to future operations. In developing the assumptions relating to the possible future uncertainties in the global conditions because of the pandemic, the Company, as on date of approval of these standalone unaudited financial results has used various information, as available. The Company has performed sensitivity analysis on the assumptions used and based on current estimates, expects the carrying amount of these non-current investments do not require any further diminution from the value at which these are stated. The Company will continue to closely monitor any material change arising of future economic conditions and its impact on its business. The actual impact of COVID 19 on investments may differ from that estimated as at the date of approval of these standalone unaudited financial results.
