**Sub: Intimation/Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Dear Sir/Madam,

Pursuant to Regulation 30(12) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we would like to inform you that the Company's mobile applications (viz. Naukri.com Job Search App, Naukri Recruiter, Naukrigulf Job Search App, 99acres Buy/Sell/Rent Property and Shiksha), have been removed/delisted from the Google Play Store today by Google, along with several mobile applications of other companies/entities as well.

The removal/delisting of the Company's mobile applications from the Google Play Store comes as a surprise to the Company, since this action was taken by Google without giving due and sufficient notice to the Company.

The Company is reviewing and evaluating the next course of action and working with Google in this regard, to ensure that the Company's mobile applications are reinstated on the Google Play Store, in the best timely manner.

The Company would like to clarify that users who already have the Company's mobile applications downloaded on their mobile devices can continue to use the same. In addition, all users that are using the Company's mobile applications through other platforms (such as the Apple App Store) or through the concerned web platforms (on both mobile and desktop), are not impacted by this change.

This is for your information and records.

Yours faithfully,  
For **Info Edge (India) Limited**
