## Disclaimer

By attending the meeting/telephonic call where this presentation is made, you agree to be bound by the trailing restrictions regarding the information disclosed in this presentation. This presentation has been prepared by Info Edge (India) Limited (the "Company") solely for information purposes without any regard to any specific objectives, financial situations or information needs of any particular person and does not constitute a recommendation regarding the securities of the Company.

This presentation, its contents and any oral information provided in connection with this presentation are strictly confidential and should not be copied, published or reproduced in any form or distributed, disseminated or disclosed, in whole or part, by recipients directly or indirectly to any other person. Failure to comply with this restriction may constitute a violation of applicable securities laws.

This presentation contains certain statements that are or may be forward-looking statements. These statements include descriptions regarding the intent, belief or current expectations of the Company or its directors and officers with respect to the results of operations and financial condition of the Company. These statements can be recognized by the use of words such as "expects," "plans," "will," "estimates," "projects," or other words of similar meaning. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those in such forward-looking statements as a result of various factors and assumptions which the Company believes to be reasonable in light of its operating experience in recent years. The risks and uncertainties relating to these statements include, but not limited to, risks and uncertainties, regarding fluctuations in earnings, our ability to manage growth and competition, among others. The Company does not undertake any obligation to revise or update any forward-looking statement that may be made from time to time by or on behalf of the Company. Any investment in securities issued by the Company will also involve certain risks. There may be additional material risks that are currently not considered to be material or of which the Company, its promoters, any placement agent, their respective advisers or representatives are unaware. Against the background of these risks, uncertainties and other factors, viewers of this presentation are cautioned not to place undue reliance on these forward-looking statements. The Company, its promoters, any placement agent, their respective advisers or representatives assume no responsibility to update forward-looking statements or to adapt them to future events or developments. Accordingly, any reliance you place on such forward-looking statements will be at your sole risk.

The information contained in this presentation has not been independently verified. The information in this presentation is in summary form and does not purport to be complete. No representation, warranty, guarantee or undertaking, express or implied, is or will be made as to, and no reliance should be placed on, the accuracy, completeness, correctness or fairness of the information, estimates, projections and opinions contained in this presentation. Potential investors must make their own assessment of the relevance, accuracy and adequacy of the information contained in this presentation and must make such independent investigation as they may consider necessary or appropriate for such purpose. Such information and opinions are in all events not current after the date of this presentation. Further, past performance of the Company is not necessarily indicative of its future results. Any opinions expressed in this presentation or the contents of this presentation are subject to change without notice. This presentation should not be construed as legal, tax, investment or other advice. Neither the Company or its promoters, nor any placement agent or their respective advisers or representatives shall have any responsibility or liability whatsoever (for negligence or otherwise) for any loss howsoever arising from this presentation or its contents or otherwise arising in connection therewith. The information set out herein may be subject to updating, completion, revision, verification and amendment and such information may change materially. Neither the Company, its promoters, any placement agent, nor any of their respective advisers or representatives is under any obligation to update or keep current the information contained herein.

This presentation does not constitute or form part of and should not be construed as, directly or indirectly, any advertisement, offer or invitation or inducement to sell or issue, or any solicitation of any offer to purchase or subscribe for, any securities of the Company by any person whether by way of private placement or to the public, in any jurisdiction, including in India, the United States, Australia, Canada or Japan, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied on in connection with, any investment decision or any contract or commitment therefor. Investing in securities involves certain risks and potential investors should note that the value of the securities may go down or up. Accordingly, potential investors should obtain and must conduct their own investigation and analysis of the relevant information carefully before investing.

Securities of the Company may not be offered or sold in the United States, except pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements under the United States Securities Act of 1933, as amended (the "Securities Act"). By reviewing this presentation, you are deemed to have represented and agreed that you and any person you represent are not a U.S. person (as defined in Regulation S under the Securities Act) and are outside of the United States and not acting for the account or benefit of a U.S. person.

This presentation is not a prospectus, a statement in lieu of a prospectus, an offering circular, an advertisement or an offer document under the Companies Act, 2013, the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, each as amended, or any other applicable law in India.

This presentation contains the Company's audited financial information as at and for the period ending June 30, 2023 and as at and for the quarter ended June 30, 2023. Investors should be aware that such financial information may be subject to certain adjustments during the course of audit/review and the audited/reviewed financial statements of the Company, when announced, may differ from those contained in this presentation.

Shiksha

#### Shiksha Study Abroad has information about

4,552
Scholarships

## Shiksha Vision & Key Enablers

Ease of finding the information student/parent is looking for

Technology led differentiators (around generating & discovering content)

Superior 1-1 counselling for students confused about career choices, or aspiring to study abroad

Useful, differentiated content, data & tools, driven by deeper understanding across courses

Be the most useful platform for career selection & college selection

High ROI for key accounts, providing fuel to invest

## Shiksha's Strengths

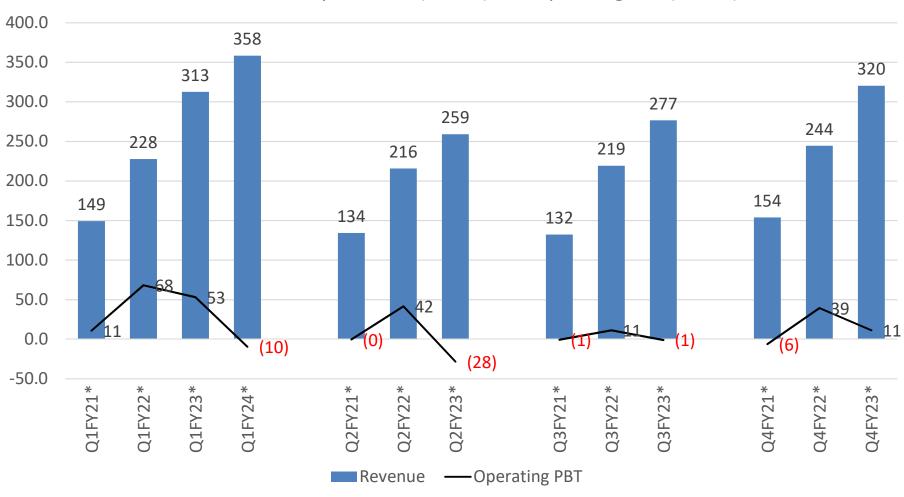

#### Competitors

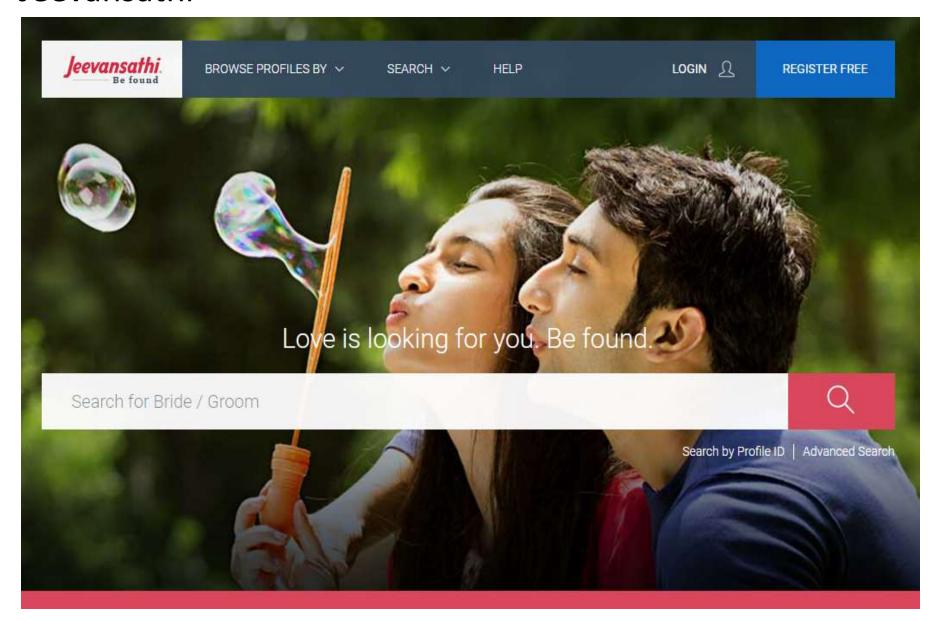

Domestic competitors include – Careers360, Collegedunia, Sarvgyan, Pagalguy, MBAuniverse, CollegeDekho, Aglasem Study Abroad competitors include - Top universities (QS), IDP, Hotcourses, Yocket, Study Abroad consultants

## Shiksha – Quarterly financials

#### Shiksha Quarterly Revenue (Rs Mn) and Operating PBT (Rs Mn)

## Jeevansathi

# Online matchmaking in India and the Jeevansathi Free chat Model

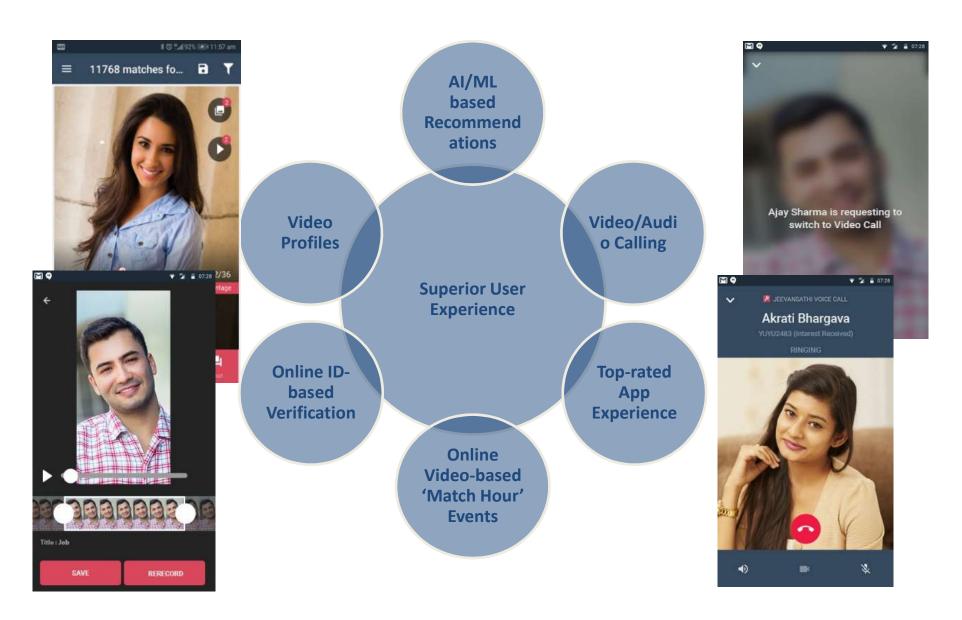

Online matchmaking is a large opportunity in India with the organized industry doing a topline of Rs. 7-8 billion

Jeevansathi has a unique model of offering free chat to connect with prospects for the purpose of matrimony

Free chat offers higher scale to the platform and choice in matchmaking

Profile recommendations to users are powered by AI/ML models taking user behavior and platform activity into account

## Jeevansathi leads innovation in the category

## Jeevansathi's strengths

#### Leadership in the North markets

- Growth supported by faster internet user growth in the North
- Solid understanding of tier 2/3 cities leading to much higher growth rates in these markets

#### **Capital Efficient Business**

- Highest sales productivity in the industry achieved through tech-led sales processes
- Highest EBITDA margins (Excl. marketing) indicates efficient operations while the business makes marketing investments for future growth

#### Innovation-led Product

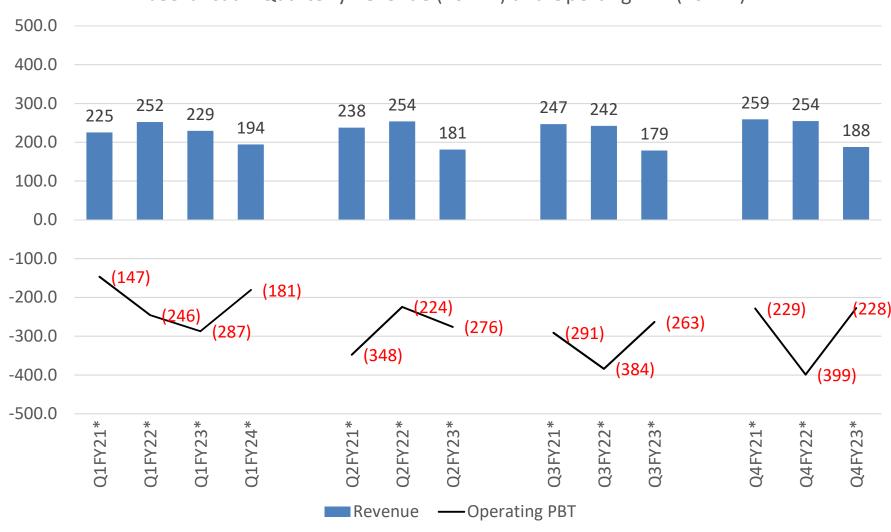

- Industry leading features launched in the last couple of years to maintain product leadership
- Free chat is a strong differentiated offering, which allows the platform to attract a lot of users at lower marketing investment
- Sophisticated recommendation engine based on millions of daily interactions on the platform

#### High App Usage

- 90%+ of user traffic and time spent is on Android & iOS apps
- Such high adoption of apps indicates user stickiness and helps increase time spent on the platform and active user base

## Data Security at IEIL

#### Data Security and Privacy

- Customer Data Protected by implementing robust security measures that ensures confidentiality, integrity and respect
  for privacy. This includes employing encryption, access controls, and regular security audits to safeguard sensitive
  information.
- Deployment of state-of-the-art technologies, industry best practices, and comprehensive security measures to protect customer data from unauthorized access, breaches, or misuse.
- Investments in regular security audits, vulnerability assessments, and penetration testing to identify and address any
  potential vulnerabilities proactively.
- Education of our employees about the importance of data security and privacy. Regular training programs ensure that our workforce remains vigilant and up-to-date on emerging threats, privacy regulations, and best practices.
- In the event of a data breach or security incident, we have a **comprehensive incident response plan in place**. We believe in **prompt communication with affected parties**, including our investors.

#### **Data security Certifications**

- ISO27001 Security Certification for multiple businesses across Infoedge
- SOC2 Type2 Security Compliance certification for Naukri and Zwayam
- PCI-DSS (For Naukri and Jeevansathi) compliant to avoid any financial risk

## People Development

#### > Assessment

- Defined Performance Management process which includes KRA Settings, Quarterly goal setting, mid year and full year assessments
- Established practices to capture employee concerns through annual surveys.

#### > Learning and Development

- Advanced education policy that allows Nano Degree, distance learning, E learning courses from recognized schools to eligible employees.
- 6 Months+ Online certificates and diplomas available from universities like Columbia, MIT etc.
- Short term courses designed for specific leadership needs by IIMs/ ISBs

#### > Talent Pipeline

- Campus Hire Program and Internship Programs for new hires from all premium institutes.
- Partnered with External L&D partner for need based management skill and capability development programs.

#### **➢** ESOPs

- Grants are awarded basis role, work and performance through RSU (Restricted Stock Units) or Stock Appreciated Units.
- All Senior Management Executives and key roles in Engineering and Product teams are granted SOPs.
