Considering the changing trend in scale of operations in some of the service verticals, the management has started monitoring the performance of each of these verticals on regular basis and therefore these now have been considered as reportable segments under Accounting Standard 17 on Segment Reporting during the current quarter. The reportable segments represent "Recruitment Solutions" and "99acres" and the "Others" segment which comprises primarily Jeevansathi and Shiksha service verticals since they individually do not meet the qualifying criteria for reportable segment as per the said Accounting Standard. Further, prior period / year comparatives for the quarter ended June 30, 2014 and the year ended March 31, 2015 for the reportable segments are not disclosed as the management has started monitoring effectively from the current period and further it is impracticable to compute strictly comparable numbers.
