

For Immediate Release

99acres.com opens branch offices in Pune & Jaipur

Enables Realtors in the cities to reach out to netizens across India and overseas through listing their properties on the website

99acres.com, an Info Edge Group company, a leader amongst real estate portals in India, opens branch offices in Pune & Jaipur. The branch offices will open avenues for individuals and realtors in the cities to reach out to netizens across India and overseas by listing their properties on the website. 99acres.com will further enable an easy access to a huge Pune & Jaipur property bank for netizens across India and allow for direct connect with realtors in the cities.

Services such as retail, auto, auto components, IT and IT enabled Services (ITeS), which are averaging over 15% year-over-year growth are driving consumption, including a demand for commercial and retail properties. The real estate market in India is booming with double digit growth. By 2008 the segment is expected to grow from \$15 billion to \$50 billion. 99 acres new offices have been set up to reach out to and work in close association with the burgeoning number of realtors, sellers, builders and investors in the cities. The service portfolio of 99acres.com includes mechanisms to list properties and search them. The portal lists residential and commercial properties available on rent, sale, lease as well as paying guest accommodations.

Deepali Singh, Business Head, 99acres.com said, “Tier II cities like Pune and Jaipur today are fast gaining popularity as investment destinations with companies and individuals alike. Our Branch offices will enable 99acres.com to further consolidate and expand our operations and reach out to both netizens and the real estate community in India beyond the metros. ”

The new office is located at:
